Participate monthly and collect the letters to decode a secret message!
CREATE YOUR ALPHABET ADVENTURE NOTEBOOK

Materials:
2 Pieces of Cardstock or Construction Paper
2 Pieces of Ribbon, String, Rope, or Shoelace
2 Plastic or Wooden Beads
Hole Punch and Scissors

Instructions:

1. Print the "ZooTampa Toddler Tuesdays" cover page on one piece of cardstock and hole punch on the designated circles. This will be your front cover. Write your name on the dotted line. Using the front cover as your guide, hole punch the other piece of cardstock for your back cover.

2. Cut 2 pieces of ribbon to be 16-18 inches long.

3. Fold each piece of ribbon in half, and knot it several times as close to the ends as possible. String a bead onto each ribbon making sure it doesn't slide over the knot.

4. Place your front and back cover on top of each other, and string a ribbon through each hole. Loop each bead through its ribbon, and tighten so the ribbons hold your notebook together!

5. Loosen and open the ribbons to add letters to your notebook each month! Collect them all to decode a secret message at the end of the year!
